

Provincial Grand Communications Officer

Report for Provincial Grand Lodge – November 2024

The Provincial Communications Team continue to maintain and update the Provincial website, maintain an active presence in social media channels, and seek the best publicity for the Province externally. The Team works hard with all the Provincial Teams to best communicate activities and developments to members.

I thank all of the hardworking members of the Communications Committee, including our Area Communications Officers and their Teams for their continued efforts and special thanks to our Lodge Area Representatives for continuing to contribute articles to all our communications channels and the Provincial e-zine - 2nd Rising.
